

Percussion Contract

It is a privilege to be a member of the percussion section of any BJH band. Only the most responsible students and best musicians are selected to play in this extremely popular section. The percussion instruments are some of the most expensive and most delicate in the entire band and will require your utmost care. Please thoroughly read and sign the below statement of your responsibilities as a BJH percussionist and return to Mrs. Bartell.

As a member of the percussion section of one of the BJH Bands, I realize that I will be using school instruments and equipment the majority of the time. I promise to take the very best care of all equipment I use. I will clean up after myself, keep the percussion cabinet and surrounding area orderly, and remind others in the percussion section to do the same. If I see anyone touching the equipment that is not a percussionist, I will report them immediately to Mrs. Bartell. I understand that if I cause any damage to any of the percussion equipment, I and any other responsible parties will be charged for the cost of the necessary repairs. In the case that there is damage done and no one comes forward to admit responsibility, I understand that the cost of repair will be split between all BJH percussionists. If I am found repeatedly violating these conditions, I understand that I may be removed from the percussion section.
